NB: Today may 30th 2015 I have placed my new article ,VICTORY NOW' top of this page with much more details of each of these positive groups listed here and others as yet not mentioned.
Therese Zumi

- 1) **The Positive military** from the USA, Russia and China who will be behind the scenes providing technology, transport and logistics at 'The Event'.
- 2) **Templars.** Solomon's Temple. Hidden below Solomon's temple is info re Jesus that could threaten the church. In the past the Knights Templar were all arrested by the Cabal on one single day Friday the 13th {now we know where that came from!}. Only a few continued on, some Templars went to Scotland and started Freemasonry. At that time negative Templars went to Italy and became the Illuminati.
- 3) **White Dragon Society.** This is a group of old-ancient Chinese families. The Rothschild's cut off their power. They want China back. Here there are mixed feelings as some of them want to have a totalitarian China. They are involved in the financial sector fighting for a new financial system. This family also has factories that are developing free energy now. The technology involved will fit into the palm of your hand. Can you imagine what this means.
- 4) **Brotherhood of the Star.** These are advanced beings. They

work by projecting to the minds of those who are ready, to bring higher ideals of Light to the human population. There are not many of them on Earth. See <http://2012portal.blogspot.se/2012/09/brotherhood-of-star-this-blog-post-will.html> This posting was made by Cobra on September 5 2012.

5) **The Order of the Star.** This is a task force of 144000 beings from the time of Atlantis who volunteered to work for the purpose of transforming darkness into light. They keep reincarnating again and again to assist. Each person has a unique set of skills for planetary liberation. After 'The Event' there will be great need of healing of humanity which they will take part in. The group is like a complex Mandala with individual forms. The 'Holy Grail' a chalice made of Moldavite is a reflection of this group and has 144,000 polished facets, each which contains a code for souls to be awakened. It is in the safe keeping of the **Galactic Federation.**

6) **A group of 15000 Beings** incarnated at the time of Atlantis to help heal the separation. They continue to incarnate again and again to this end. This group includes the Buddha, Christ, Templars and Lightworkers. Some of us belong to this group. When this planet is liberated we will enter into the 3rd Atlantis. The final Paradise on Earth with cities of Light and advanced technology. This is part of the plan. When St Germaine was incarnated as Francis Bacon he talked about this time.

7) **The White Hats** The person with the code name 'Michael' that Cobra told us went underground is a White Hat member. He was forced to 'go underground' when the Cabal were in pursuit of him. He had a group of agent's working with him, they also went underground. There are members of the White Hats worldwide. One of them who is well known on the surface is Benjamin Fulford. Benjamin has had numerable attempts made on his life. He was editor in chief for 'Forbes' economic

magazine for 20 years. Cobra has regular contact with members of this group who work in top positions within financial and administrative positions worldwide supporting the work of the Light Resistance Movement on earth.

8) **Lightworkers.** People who invoke the Light and work with the Light. The backbone of the resistance Movement.

Andromeda Galaxy

Forces of Light

✦ **Galactic Confederation.** This group travel interdimensionally throughout the Galaxy. This group is the overseer of evolution on planets. This is a loose union of all positive races that have received LOVE as their natural state. They exist beyond war, polarities and dualities. They only desire to spread Love. There are about 200,000 species in this galaxy. 70% are humanoid. You would not recognise them; there might be some in this room! {LA Cobra conf. Nov. 2012} The main group are not present on the surface of the planet. They are orbiting our planet – cloaked so they can not be detected. Without their intervention we would have been extinct at this point.

✦ **Ashtar Command.** This is a group within the Galactic Confederation. Their mission is to liberate planet Earth. They have gathered many ships around the Earth literally millions of them. Their ships are from 5 – 10 feet to thousands of feet in diameter. The fleet squadron gather on strategic positions. They are here ready to take action when the time is right. The Cabal organised a strong negative campaign against the Ashtar Command in the 90s doing their utmost to create fear among people who heard their name. Ashtar people were in-planted. Now the Light has returned and the group is stronger.

✦ **Pleiadians.** Cobra is a Pleiadian incarnate. They contacted him as a child. Cobra wanted to bring Pleiadian technology to

Earth and interweave it with ours. Like Dr Fred Bell and 'our' Robert Potter he too was in contact with Semjase. The Pleiadians have the closest ties to humanity. They have contacted the surface population many times. Dr Fred Bell was contacted on several occasions by Semjase, and Rob Potter who organised the conference in Laguna Beach and Egypt for Cobra is a contactee who has worked alongside Dr Fred Bell for many years. You can listen to the interview with Robert and Cobra on Coast to Coast Radio in January of this year here on this page. Many Pleiadians were spiritual teachers – or prophets. The Pleiadians said to Cobra that he had to go back to this planet to prevent nuclear war. Each day we are getting closer to 'The Event'.

✧ **Sirians.** Some have incarnated here as humans and some as Dolphins and Whales. They are the caretakers of water. They are very aware of their purpose. Most of us involved in New Age interests – most awake beings, are aware of the enormous role our dolphin brothers and sisters have played – are playing on our planet to bring more joy and love and healing, like the healing work worldwide with autistic children.

They hide in the oceans but some get killed. See the beautiful video with Patricia Cori on my Introduction page. This beautiful Lady is a Sirian incarnate and has a website about the Sirians. They also work with balancing of the tectonic plates. They are aware of their purpose.

I {TZ} must take the opportunity at this point to speculate that the amazing author and Nobel Literature Prize winner, Mrs Doris Lessing, may be of Sirian origin, as one of her books is titled 'The Sirian Experiments'. The first book in her amazing series 'Canopus In Argos: Archives' is 'Re: Colonised Planet 5, Shikasta'. {Shikasta is our own planet – seen during an agonising epoch of its existence, through the eyes of Johor sent here by the powers that have control over this part of the universe}. The second book in this series, read during my studies at Uppsala University in 1983- 84, {see my recommend

page cont.; re Doris Lessing} was the one that brought me on a path to the point I am in all of this today.

Other races helping us with our liberation in one way or another are the **Andromedans** {see the following articles by two Andromedan Representatives, on my 'The Bigger Picture' page.} Article 1) Tolec and the Biospheres. 2) Creative Communities. Another race are the **Arcturians** and there are many more.
